

Press release for Polish Folklore Dance Event: Saturday, 19th May 2018

The Norfolk Polish Heritage Group (NPHG) has a great event lined-up in May when they host a performance by Wivat! Cambridge of Polish traditional dances. It's the first time that such a programme of dynamic dancing and authentic costumes will have been seen in Norwich and will it have real appeal for children, adults and families.

One of the NPHG's objectives is to encourage community involvement with the story of immigrant Polish communities in Norfolk and to strengthen the bonds between the people of Norfolk and the Polish diaspora. This event will introduce the audience to Poland's rich and colourful culture.

Wivat! Cambridge (Viva Cambridge) recently appeared on stage at the 10th Polish Folklore Spectacular in Leicester and its members include first, second and third generation Poles. "We are delighted and very fortunate to have such a talented group of performers coming to Norwich" says Adrian Żółkowski-O'dell, Chair of the NPHG who is a second-generation Pole himself.

The Polish Folklore Dance event will take place at the Willow Centre, Cringleford, Norwich on Saturday, 19th May 2018 from 18.00 – 20.30. Refreshments will also be served including delicious home-made Polish cakes.
